The World Tree, Tarot And Truth About The God Scam

Originally the Tarot was Egyptian and from India.

However the Jews have corrupted this with their own alphabet which is full of stolen letters from the East, Greek and Egyptian. So, the Kabbalah Tarot deck is what we will be investigating as they are 22 Hieroglyphs for the Hebrew alphabet and how this works.

We will expose, right from their Kabbalah, the scam of their "god" which (in Kabbalah) is shown as the "World Tree".

The Major Arcana of the Tarot deck is designed to form the 22 pathways on the Kabbalah World Tree; this with the ten major Sephiroth form the 32 pathways on the World Tree with the last and hidden path relating to the concept of Daath.

It makes 33, which is based on the 33 vertebrae of the spine.

Each Tarot card is a Hebrew letter and is placed in a pattern to open up that part of the spine to generate and raise the 'Lev' which is the name of the 32 pathways [with the 33rd being the hidden pathway] it's short for 'Leviathan' which in Kabbalah is shown as a Serpent-Dragon with a crown.

This is what the Kabbalah-Cube is based on and how the Tarot is used.

Note; the Fool card is the 21st card. It's the letter 'Shin', while Judgement is 'Resh' which is ruled by Saturn, the planet of Judgement.

The three mother-letters of the Hebrew alphabet are 'Aleph', 'Shin', 'Mem'.

They form the core of the World Tree and Cube.

This relates to the concept of the "Trinity" in Kabbalah and the 3 core elements. This shows the Temple of Solomon.

Shin is 'fire' and is from the ancient name of the Sun-God, Shemesh. Mem is 'water' is also spelled "Mam" it means 'moon' and the Aleph is 'air' which is placed in the middle of the two. The element of Air is the intermediary between fire and water.

Shin or the sun is the three lower or Male chakras. Mem or the Moon is the upper three Female chakras. Aleph is the middle-region, the "Heart" between them.

This is the Temple of "Sol A Mon"....."Shin A Mem".

It's simply showing the orientation of the Soul and uniting the chakras through the World Tree.

In Kabbalah their spheres are shown as Male and Female beings, copulating in the World Tree, to generate their "god" the 'Ayn Sop' - which is shown as the Leviathan, the Crowned Serpent.

This is the inner-sexual-alchemical-union of the Soul of the chakras, which is completed in the skull, with the final union of the upper-three Worlds: the Trine parts of the Brain with the other seven chakras, by raising the serpent.

This is all stolen from Egypt, Greece and the East where this knowledge came from.

This is the "god" of Kabbalah, it's a code for the alien Jewish soul.

Note; right in the Torah, it lists the seven lower-Sephiroth which are placed on the middle-pillar the spine and rule the seven chakras and planets as God.

The number of each Sephiroth being named is placed next to the name.

Chronicles 29:11

"Yours O God are the Greatness **4**, the Strength **5**, the Beauty **6**, the Victory **7** and the Splendor **8** for All **9** in heaven in earth yours O God is the Kingdom **10**."

It also lists the other three upper-Sephiroth which rule the Trine parts of the Brain as God:

Proverbs 3:19,20

With Wisdom **2**, God established the earth, and with Understanding **2**, He established the heavens and with His Knowledge **1**, the depths were broken up."

There are more examples of this in the Torah as well.

The "10 Statements of Creation" in Genesis in which "God" creates are also the 10-Sephiroth in Kabbalah.

The electrical-field of Conscious energy, the god-form, that has been created in the Astral with the Torah which is created by the 22 Hebrew letters - which form the name and body of their "god" - and which is their god; is designed to tie into the Jewish soul and is built as an extension - a kind of Macrocosmic soul, of the Jewish people. Which is what the Rabbis mentioned in Kabbalah. The five Books of the Torah tie into the five Worlds of the Tree, with Daath being the hidden fifth World. The statements in the Torah naming their "god" as the ten Sephiroth ties the energy into their soul.

The Torah is also shown as the Tree of Life which is the Kabbalah Tree in Judaism.

This is why the leadership of the Rabbis, such as in Chabad, states that the Jewish People are the "manifestation" of their god. It is because their "god" is their own selves, their own alien Jewish soul and their collective alien Jewish racial soul that they have created an energy-field as an extension thereof.

The two most used names of "god" in the Torah are 'Elohim' and 'Shema'.

The Elohim relates to the "creation" of this energy-matrix of theirs, using by the Hebrew letters. Shema is the prayer the Jews created to bring their matrix-of-energy into the Material World to work for them.

Christians and Muslims are **worshipping** the Jewish soul and race as "god" and **feeding their energy** into this collective-of-Jews for the Jews to use to bring about the final destruction of the Gentiles and bring in the Jewish World-Government in the Messianic Age. Which is what the Jewish "god" [The Jewish Race] commands is to be done, as stated in the agenda of the Torah. Which is why this "god" demands slavish worship 24/7 its about sending a constant stream of

energy into this to keep it infused and going.

The Reverse Torah Rituals are undoing the alien Jewish enemy on the level of their alien soul.
So do the Reverse Torah Rituals everyday.
